Proposed Changes to IPEDS

- Approval by OMB is being requested for implementation in 2014-15
- 60-day public comment period closes May 13, followed by additional 30-day comment period
- Pending OMB approval, “preview” year for 2014-15 changes will be 2013-14, so institutions can prepare for new reporting requirements
Proposed Changes to IPEDS

- Admissions data collection becoming a separate component, part of Winter collection \( (TRP: 11/07) \)
- Integrate Academic Libraries survey \( (TRP: 8/2011) \)
  - Applies to degree-granting institutions
- For-profit institution Finance data \( (TRP: 8/2012) \)
  - Aligning with what public and non-profit institutions report
Proposed Changes to IPEDS

- Veteran’s and service member data (TRP: 11/2011)
  - Indicate services offered (i.e. credit for military training, recognized student veteran organization, etc.)
  - URL for information about tuition policies specifically for veterans and service members
  - Number of undergraduate and graduate students receiving Post 9/11 GI Bill and DoD Tuition Assistance benefits
  - Total dollar amount awarded to them through the institution
Proposed Changes to IPEDS

- New Outcome Measures component
  
  (TRPs: 2/2012 & 10/2012)
  - Applies to degree-granting institutions

- Collect outcome data on 4 degree/certificate-seeking undergraduate student cohorts:
  - Full-time, first-time entering students
  - Part-time, first-time entering students
  - Full-time, non-first-time entering students
  - Part-time, non-first-time entering students
Proposed Changes to IPEDS

• For each cohort, collect status update 8 years after entry using the following categories:
  • Received award
  • Did not receive award, still enrolled at reporting institution
  • Did not receive award, subsequently enrolled at another institution
  • Did not receive award, subsequent enrollment status unknown
Proposed Changes to IPEDS

- Outcome Measures data collection is proposed to begin in 2014-15, with institutions reporting on their 2006 entering cohorts.
