Mark N. Cohen, Senior VP of Market strategy and Co-Founder, Parchment (formerly Docufide) and Co-Chair of ERUG

Revathi Kumaraswamy, Business Analyst for Articulation and Transfer, Ohio Board of Regents

Clare Smith-Larson, PESC Consultant to the US Department of Education’s Common Education Data Standards (CEDS)

Tom Stewart, Retired College Registrar from Miami Dade College (FL) and Member of the AACRAO SPEEDE Committee

Mark started today’s call on the hour.

Reverse Transfer using PESC XML College Transcript: Revathi discussed the potential use of a PESC XML Schema to denote the reverse transfer of, for example, Life Experience Credit, to facilitate the exchange of college credit among postsecondary schools.

The Ohio Board of Regents (BOR) is currently using a similar process among its BOR schools.

On the next call, the plan is to continue discussion on this item to see if there is a way to meet this need by using the existing PESC XML Schema for the College Transcript, or by modifying it to make this use possible, or if there is a need to create a new PESC XML Schema for this use.

The call ended at 30 minutes after the hour.

Next ERUG Conference Call: The next call will be on Wednesday, March 20, at 2 pm Eastern (1 pm Central, noon Mountain, and 11 am Pacific) Standard Time.
