Discussion on the call was begun by Adriana Farella, chair of the Workgroup, at 5 minutes after the hour.

**PESC Workgroup Summit in Montréal:** Adriana announced that the tentative program for this meeting includes two time slots on Monday, October 15 (8:30 am to 10:15 am; and 10:30 am to noon) for our Workgroup to meet. She has also asked Michael Sessa, Executive Director of PESC, for at least one additional time slot immediately after lunch on Monday.

Today’s participants were asked by Adriana to find out who might be planning to attend the Montréal meeting. Responding “yes” were Adriana Farella, Cheryl Rich, Debi Sandul, Clare Smith-Larson and Tom Stewart.

A check on the PESC web site indicated that the hotel is taking reservations (Call 800.363.0366) under room block “PESC” for $179 Canadian Dollars per night. Cut off date for that rate is September 12, 2007.

**Schema Review:** Today, we continued our second review of the Immigration portion of the schema.

**Appendix D (Relationship Codes):** We reviewed the codes in the appendix and Tom was asked to add one code (Sponsor) and change the word order of several others like “ParentGod” to “GodParent”.

**Applicant.Person.Immigration:** On page 97 of 558, we discussed these items:

- **RequiredFormsReceiveDate:** We agreed to delete this simple data element since it is information needed for a school’s data base, but would not be received on a student application for admission.

- **USStudyFormsReceipt:** We also agreed to delete this simple data element for the same reason.

**Applicant.Person.Immigration.CertificateOfEligibilityDetail:** Everything in this section is being reported by the student for the Certificate of Eligibility (US Form I-20) that was issued by another school.

- **JVisaVisitorPositionCode:** Kay referred Tom to a SEVIS document and Tom will add the acceptable enumerated values in a new appendix. The name of the data element will also be changed to “ExchangeVisitorPositionCode”. This will be a three-digit numeric code.

- BiNationalCommission
- Employment
- ExchangeVisitorGovernment
- InternationalOrganization
- Other
- Personal
- ProgramSponsorFunds

**Applicant.Person.Immigration.PassportDetails:** We agreed to assign a maximum length of 25 characters to “PassportNumber”.

**Applicant.Person.Immigration.VisaDetail:** We also agreed to assign a maximum length of 25 characters to “VisaNumber”.
