Minutes: Morris

Meeting Summary:
The workgroup discussed how to encode the survey data collected by testing organizations and provided to Colleges and Universities. It was determined that these items could be collected by Colleges as well and thus may involve other workgroups. It was determined that this issue would be discussed at the next PESC steering committee meeting on June 4.

Action Item:
Michael will ask the PESC steering committee to provide guidance on the development of data structures for encoding survey information.

The meeting was adjourned: at 4:03 EDT.

Upcoming Meeting Times:
June 5, 12, 19, 26

Respectfully Submitted,

Michael D. Morris
